# Choice of tutorials

Given the uncertainty around social distancing, and the importance of maintaining as much stability and continuity as possible to help our clients and their learners to plan ahead with confidence, the decision has been made to extend our online delivery until at least September 2021.

Our priority continues to be ensuring the safety of staff and learners, whilst providing a consistent and continued high level of teaching, which we are confident a continuation of our online delivery will provide.

We will continue to monitor the situation and if there is significant change then there's a possibility that we decide to convert some of the later courses to in-centre. We will let students know if this becomes a reality.

Please try to choose a first, second and third choice, where possible. This will enable us to carry out the finalisation process more efficiently and maximise the chance that you are allocated a suitable place.

We strongly recommend that you commit to a subject early and start studying in May. There will only be a finite number of tutorial places available in August and we cannot always guarantee everyone a place.

We are offering the option of half-day tutorials in many subjects this session. Each standard full day will be split into two half days, usually around a week apart. If you choose half days then please read the required material before each pair of half days.

## CM and CS Tutorials

Under the 2019 new education strategy, six old Core Technical subjects have been repackaged into four new Core Principles subjects. This means that subjects CM1, CM2, CS1 and CS2 are on average one and a half times the size of the old CT subjects. Each is examined by one paper-based exam and an additional, new computer-based exam using Excel (CM subjects) or R (CS subjects).

Given the size of these subjects, please start studying as early as possible to give yourselves enough time to work through the material and gain the required skills for each paper. Our Regular Tutorials will focus on the core material, concentrating on paper-based questions that will be tested in Paper A. Given that there will be 4 or 5 tutorial days in each subject, we recommend Regular Tutorials over Block Tutorials.

There will be an additional Paper B Preparation Day in each subject to enable learners to practise exam-style Paper B questions with tutor support. Tutors will assume that attendees have used the Paper B Online Resources (PBOR), which form part of the new CMP. You will not be taught the essential skills of working in Excel or R on the Preparation Day.

Students attending a Paper B Preparation Day must bring their own device to the tutorial capable of running either Excel or RStudio as required.

## CP2 Tutorials

Students attending a CP2 Preparation Day must bring their own device to the tutorial capable of running the required software, eg Excel and Word. More details on the next page.

# Types of tuition

## Regular Tutorials

Regular Tutorials are ideal if you want tuition throughout the session to make sure that you fully understand the material as you progress through the course. We'll expect you to have read the relevant parts of the Course Notes before the tutorial and to work hard on the day.

## Block Tutorials

These are courses held closer to the exams with at least some consecutive days, offered as an alternative to Regular Tutorials. They are the same length as the alternative Regular Tutorial.

## Live Online Tutorials

Our Live Online Tutorials receive excellent feedback and are ideal if you like the discipline and motivation of a structured and timetabled course but are unable to travel to one of our face-to-face courses. We aim to replicate as closely as possible what you would experience on a face-to-face tutorial, covering the same content but delivered online.

## Online Classroom

This is another online alternative to attending a Regular or Block Tutorial. Students will have access for 13 months from the date of purchase to pre-recorded tutorial units covering the same topics and questions as used on a typical face-to-face or Live Online tutorial. Students can discuss problem areas amongst themselves and/or with a tutor using a discussion forum.

Online Classroom is available in all Core Subjects, as well as Subjects SP1, SP2, SP5, SP7, SP8 and SA2 as well as a mini-Online Classroom in Subject SA1 (more details at [https://acted.co.uk/online\\_classroom\\_SA1.html](https://acted.co.uk/online_classroom_SA1.html)) The CM and CS Online Classrooms are an alternative to a Regular or Block tutorial and will help you prepare for both papers A and B, as the underlying examinable content is broadly the same. However, the Online Classroom focuses on the written Paper A and does not cover any R or Excel questions. Hence the Online Classroom is not intended to be an alternative to using the Paper B Online Resources (PBOR) or attending a Paper B Preparation Day, both of which focus on preparing students for the Paper B exam.

Students attending a Regular or Block Tutorial in the same session may purchase the Online Classroom at a significantly reduced cost. Please visit [www.ActEd.co.uk](http://www.ActEd.co.uk) for more details.

## Preparation Days (CS/CM)

In the CM and CS Subjects, all the tutorials outlined above will focus on, and develop the skills required for, the written Paper A. Students wishing for some additional tutor support for Paper B, working through exam-style questions, may wish to attend a Preparation Day. These will be available Live Online or face-to-face, where students will need to bring their own device capable of running Excel or RStudio as required.

## Subject CP2 Tutorials

The CP2 Preparation Day builds upon the CP2 Course Notes. It helps develop the required documentation skills and technical Excel knowledge needed to pass Subject CP2, using an exam-style question as a case study. We offer the choice of an online or face-to-face course, where students will need to bring their own device capable of running the required software (eg Excel, Word).

## Subject CP3 Tutorials

A choice of an online or face-to-face course is offered consisting of a one-day preparation tutorial. For more details please visit [https://www.acted.co.uk/help\\_and\\_advice\\_CP3.html](https://www.acted.co.uk/help_and_advice_CP3.html).

# Applying for tutorials

Places on all courses are allocated on a first-come first-served basis and many courses become fully booked very quickly. You can still apply for tutorials after the finalisation date, but you should be aware that some courses are likely to be full by this stage. The remaining key dates are given here but please refer to the provisional timetable that follows to check the finalisation dates of the courses you are interested in.

- 1 August 2021 for most tutorials starting in late August and September

We recommend that you apply for your tutorials using our e-store at [www.ActEd.co.uk/estore](http://www.ActEd.co.uk/estore), where you will be able to view provisional venues and see an indication of the number of spaces available on each course. Alternatively please use the up-to-date Tutorial Application Form, available from our website at [https://www.acted.co.uk/tutorials\\_applying.html](https://www.acted.co.uk/tutorials_applying.html). The e-store allows you to specify your first, second and third choice courses in each subject. If your first-choice course is full, you'll be given a provisional place on your second-choice course and so on.

If all of your chosen tutorials are full, your name will be added to the waiting list for your first-choice course. You may get a place on your first-choice tutorial if a space becomes available, eg if a student cancels. Please let us know if you wish to be removed from a waiting list so we can allocate any spaces that arise to another student.

Shortly after you apply for a course we will email an acknowledgement of your provisional application. If you do not receive an acknowledgement within four days for each of the courses you have applied for, please contact ActEd immediately to check that we have received your application.

We will email you again 3-4 days after the relevant finalisation date with full details of your confirmed tutorial place. We will not be able to confirm a place until this time and we ask for your patience in the days immediately following the finalisation date.

ActEd will usually run all advertised courses where we have received a sufficient number of applications in writing by the finalisation date (this is normally around 8 applications but depends on demand for other courses). Therefore, please remember that a provisional place does not guarantee that the course will run. It is also possible, although unlikely, that you could lose your place on the course at finalisation if a student who applied before you, does not obtain a place on their first-choice course due to a course cancellation.

Please avoid making any travel arrangements until you have received the final confirmation of your booking. Invoices are issued, and credit card payments taken, between 5 and 15 working days after the relevant Finalisation Date, once a place has been confirmed.

We will endeavour but cannot guarantee to add extra groups at finalisation for students still on a waiting list at that time. You may choose to come off a waiting list and apply for another course at any time.

Please let us know if you change your email address so that we can keep you up-to-date with details of your booking.

# Prices

## Face-to-face and Live Online tuition

Prices shown per student and exclude VAT which will be added.		
	CM, CS and CB Subjects	CP, SP and SA Subjects
Face-to-face	£137 per day	£151 per day
Live Online	£119 per day (£59.50 per half day)	£129 per day (£64.50 per half day)

## Online Classroom

Prices exclude VAT which will be added to orders from within the EU.	Standard price	Retaker Rate	Partial Retaker Rate (CM1 and CS2 only)
CM1 & CS2	£411	£62	£235
CM2 & CS1	£329	£49	-
CB1	£247	£37	-
CP1	£452	£68	-
CP2 & CP3	£90	£14	-
SP1, SP2, SP5, SP7, SP8 & SA2	£271	£41	-
SA1 (mini-online classroom)	£150	£20	-

The Retaker Rate only applies to students who have previously purchased or are simultaneously purchasing a Regular or Block Tutorial or the Online Classroom with ActEd in the same subject(s) (or the equivalent old era subject(s)). The Partial Retaker Rate only applies to students who have previously purchased a Regular or Block Tutorial or the Online Classroom with ActEd in one of the equivalent old era subjects, for example, CT1 but not CT5 for Subject CM1.

## Reduced-rate tutorials

Students with annual income less than £7,230 are eligible for reduced rates with ActEd. Please refer to our website for more details: [www.ActEd.co.uk/Html/ordering\\_reduced\\_rate\\_material.htm](http://www.ActEd.co.uk/Html/ordering_reduced_rate_material.htm).

## Terms & Conditions, including our Refund Policy

ActEd's full terms & conditions and Privacy Policy, which include ActEd's policy on cancellation and refunds can be viewed at [www.acted.co.uk/Html/terms\\_conditions.htm](http://www.acted.co.uk/Html/terms_conditions.htm) and a copy will be emailed to you once you have placed your order. You can, subject to certain exceptions, cancel your order and obtain a full refund if you request it within a specified timeframe.

Refunds cannot be given in the event of malfunction or incompatibility of your software or hardware, which is outside of ActEd's control. Sufficient opportunity is given before a Live Online Tutorial for you to test your hardware and software. We will also email you instructions on how to do this before the course.

If you receive reduced-rate access to the Online Classroom (ie accompanying a confirmed Regular or Block Tutorial or a confirmed CP2 or CP3 Preparation Day in the same session) and subsequently cancel your tutorial place, then you will be invoiced for the standard price of the Online Classroom (if used).

If you might change your study plans in light of your exam results, we recommend that you book a place on a tutorial that is finalised no more than two weeks before your results are due. This will allow you to cancel your place without charge immediately after results and give you much more flexibility should your plans change.

## Tutorials for the session leading to the September 2021 exams

If you might change your study plans in light of your exam results, we recommend that you book a place on a tutorial that is finalised no more than two weeks before your results are due. You should also defer purchase of any Online Classroom until after results. This will give you much more flexibility should your plans change.
