

CMP Upgrade 2024/25

Subject F103

CMP Upgrade

This CMP Upgrade lists the changes to the Syllabus, Course Notes and X Assignments since last year that might realistically affect your chance of success in the exam. It is produced so that you can manually amend your 2024 CMP to make it suitable for study for the 2025 exams. It includes replacement pages and additional pages where appropriate.

Alternatively, you can buy a full set of up-to-date CMP at a significantly reduced price if you have previously bought the full-price CMP in this subject. Further information on retaker discounts can be found at https://acted.co.uk/south_africa/html.

This CMP Upgrade contains:

- all significant changes to the Syllabus
- additional changes to the ActEd Course Notes and Assignments that will make them suitable for study for the 2025 exams.
