The bullet point list under the Assessment section should read as follows:

- Paper A is 3 hours and 20 minutes and consists of a number of questions of varying marks, for which the answers must be constructed and typed in Microsoft Word
- Paper B is 1 hour and 50 minutes and consists of a number of questions of varying marks, for which the answers must be completed, constructed and typed using Microsoft Excel.

For the removal of doubt, there is **no** requirement to use R for the CM2 exams.
